BEST PRACTICE CHAMPIONS WORKSHOPS

Are you passionate about improving patient care in your organization?
Do you have the ability and desire to bring awareness of
best practice guidelines to your organization?

The Best Practice Guidelines Champions Level One Workshop

is a FREE, one day session designed to introduce nurses and other health professionals to evidence based practice, RNAO's Best Practice Guidelines, and how you can implement them in your work setting. The workshop discusses how to evaluate evidence, how to assess your practice and your workplace, and how to plan for implementing Best Practice Guidelines, including marketing, engaging stakeholders, and developing plans and proposals.

**Hosted by: St. Peter's Residence at Chedoke
Level 1 Workshop: Tuesday June 25, 2019
555 Bay St. North | Hamilton**
